Air Kool Mechanical Contracting, Inc.
451 North Route 9-W
Congers, New York 10920

October 10, 2000

To Air Kool ,
On behalf of the Fairmount Baptist Church I would like to express our appreciation for first following through on the work you were contracted to do. Second. for the generous donation you gave our church.

Thank you is a very common word but it has a very special meaning and this is what we are trying to say to you that it means something special for us to be thought of, and your kind deed was a blessing to our church.

We have had the opportunity to use both the air condition and the heat and so far everything has been working fine.

Again thank you and we extend an open invitation to visit at any time. Your presence will always be welcomed. If ever we can be of service to you, please do not hesitate to let me know.

Sincerely,
Rev. Raymond C. Caliman
